Operations Daily Report (U)

1. (S) F-4 Leaflet Operations

a. 9 June 1972 Mission Supplemental Report:

(1) 5,040,000 leaflets were dropped in the Red River Delta area. Computations based upon forecast winds indicate that target coverage included Hanoi and Haiphong.

(2) The leaflet themes exploited President Nixon's 8 May 1972 decisions and offers, attributed responsibility for the continuing destruction and losses to the Lao Dong Party leadership and urged that the North Vietnamese people demand that their government accept the proposal to end the war.

b. On 12 June 1972, four F-4 aircraft expended 15 leaflet bombs against North Vietnam. Details on leaflet target area, quantity and type of leaflets were not reflected in the initial mission report.
